

22nd June, 2018

Dear Parents/Carers,

Y3 Eco-Warrior T-Shirt Campaign 2018

In the next few weeks, the Y3 children will be designing and making their own t-shirts to promote a simple but powerful message about sustainable lifestyles.

They will be using fabric pens and tie dying to make a product that stands out and raises awareness about the benefits of making sustainable food choices. We will be selling the t-shirts at a price of £2.00 to cover the cost of the materials.

If you would like to reserve your child's t-shirt to buy, please complete the form below and send it back to the class teacher. The T-shirt will be available for collection and payment at the summer fayre on the 13th July, 2018.

This will be the first time HBJs has launched an environmental awareness T-Shirt campaign and we hope you will be able to support the cause.

Yours faithfully,

The Y3 Team

.....

Y3 Eco-Warrior T shirt Campaign 2018

If you would like to reserve your child's t-shirt to purchase at the Summer Fayre, please fill in the form below as appropriate and return to the class teacher **by Thursday 28th June 2018**.
