Dear Parents/ Carers,

We would like to invite you to a reading workshop session designed to help you with your child's reading at home.

These workshop will include information on how you can encourage your child to read more and we will share with you our knowledge and experience regarding effective listening in order to improve your child's fluency.

A Reading Resource Pack will be available for all families who attend including a reading diary to help monitor and praise your child's reading progression. We would like your child to accompany you to the workshop to enable you to practise the strategies with them.
