Dear parents/ carers,

Book Bags

Year 3 children have done a great job settling into HBJs over the last few weeks and we have really enjoyed getting to know them all. Thank you very much for all your support and encouragement in helping your children settle into their independent morning routines.

Children will be receiving their official HBJs book-bag today with the intention that each child will be taking a book to and from school each day to read in their 'Reading for pleasure' slot at school and at home with parents each night.

Some children will be receiving focus group reading books that are part of a planned intervention at school and as such will need to be looked after and returned to school each day. If the books are lost, we will ask the parents for a voluntary contribution towards the replacement.

We recommend that children read to their parent/carer each day for approximately twenty minutes. If you would like any advice on how best to hear your child read, please contact us regarding the Y3 reading workshops.

Thanks again for your support.
