

27th October 2017

Dear Parents/Carers,

J8 Music Project Session

Over the last term, J8 have been taking part in a music project run by Sheffield Music Hub. They have had weekly sessions on tuning percussion instruments and would like to invite you to join one of the sessions. This will take place on Friday 15th December 2017 at 9am and will last approximately 30-45 minutes.

The session will run as it normally would, with the children working through a series of musical pieces. Parents and carers would be given the opportunity to watch and enjoy some of the music the children have been learning.

Towards the end of the session, parents and carers will be invited to join the children with their instruments and have a tutorial from them.

The session has no cost attached and we would like welcome as many parents and carers as possible but unfortunately, space is limit so you will only be able to reserve a maximum of 2 seats.

If you would like to attend, please complete the reply slip stating the amount of seats required and return this to the school office by Friday 1st December, 2017.

Yours sincerely,

David Preston
