

## **Reading Volunteers Information**

We are always delighted to welcome reading volunteers into the school on a regular basis. It gives the children an opportunity to develop their reading fluency and deepen their understanding of what they have read. The more a child reads, the better their skills become, which has a positive impact on their learning across the curriculum.

If you can spare time, we would welcome any parents, carers or grandparents to come into school and listen to our Year 3 and Year 4 children. Full training will be given.

Please take time to consider this opportunity carefully as you will be required to make full commitment for the duration of the academic year. A DBS check will be carried out by the school on all volunteers.

If you would like to support us to become a reading volunteer, please contact the school office by the 30<sup>th</sup> September 2017.
