

20th September 2017

Dear parents/carers,

Y4 MyMaths Programme

As part of our new cycle of raising attainment in maths, your child has been selected to take part in an ongoing programme, MyMaths, initially as part of a 10-week cycle.

MyMaths is an online platform, which we are already using in school and your child has been chosen because we have identified specific gaps in their learning, which this programme will be used to directly target, hopefully resulting in accelerated progress. It is hoped that by the end of the programme the children will be more confident and develop a better understanding of numbers. The course will also consolidate learning done in the classroom, giving the children more time to fully understand the concepts taught. We will be reviewing the success of the programme once the 10-week cycle is completed, towards the end of the Autumn term.

We have organised the use of the Y4 classrooms in school **from 8:20am until 8:40am. Your child needs to make a commitment to be at school on Tuesday, Wednesday and Thursday mornings ready to start at 8:20am.**

If your child arrives at the main entrance for 8:20am a member of staff will be there to let them into school and supervise them in the classroom.

If you are happy for your child to take part in the programme please complete the slip below and return it to the school office as soon as possible. The course will start on **Tuesday 26th September.**

Yours faithfully,

Mr Handley, Mrs Schmidt, Mrs Maycock and Mr Hurley

Y4 MyMaths Programme Tuesday 26th September

I would like my child _____, from class _____ to take part in the MyMaths programme before school every day, **from 8.20am until 8.40am.**

Signed _____ Date _____
