Warm up - Our body warm up today is a brain challenge too! When I say jump, you clap...do you think you can follow Caroline?

Pitch! The pitch is how HIGH or LOW our notes are. Charlotte talks you through 2 ways of thinking about pitch. Using our hands, and using colours. Which one did you find easiest? Have a practice of your new hand signs this week, you will need them next week!

Double double this this - the great thing about this song is it only has 2 words! Double, and this! Watch out for your good standing, try to keep your feet in the same place all the way through so you can focus on your hands.

Don't forget to complete your Google Form Quiz this week! We really want to see how you have got on and what you have learnt. The quiz link is in the Description on the YouTube Link.
