Dear parents

Thank you so much for following the guidance for phoning school today, it meant the office was able to operate efficiently. We'll keep the same system moving forwards.

School will open as normal tomorrow.

In response to the latest government guidance it seems prudent to avoid unnecessary contact with others where we can. Things can get busy at drop offs and especially at the end of the day, therefore I ask you to follow the guidelines below.

Drop Off

Please leave your child to come into school themselves as normal, stay clear of the entrances at busy times. Only come into the school office if your matter is urgent, phone if you can.

Pick Up

Please stand well back of the entrances to school, try not to linger on the playground – this will help staff get on with planning for the next day.

A reminder for Self-Isolation

If your child, or anyone who lives with them. has a new and persistent cough or fever then you and your child must stay at home and self isolate for 14 days. This means that children who are currently off school should not return until after the Easter Holidays (14 April). If you need further advice please go online to <https://111.nhs.uk/>

Thank you again for your help and understanding. Please look after yourself and others whenever you can, stay safe, stay well and know that we are here to support you if we can.

Very best wishes
Michael Watson
