Glockenspiels

Design and Technology

A healthy and varied
diet - sandwiches

History

Ancient Egypt

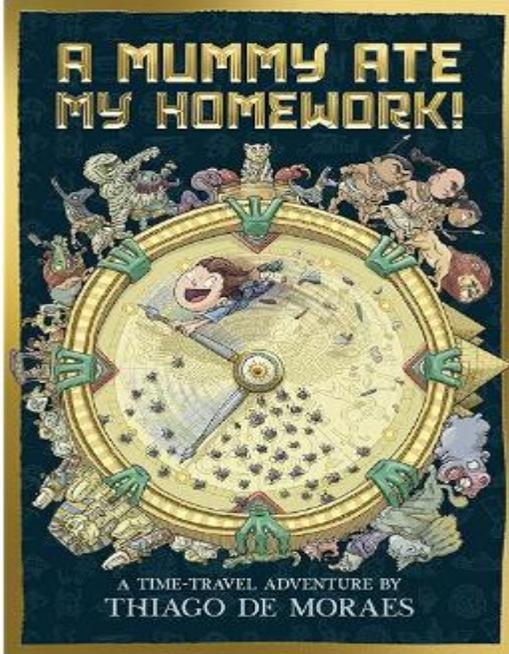

PE

I-Moves dance unit
Physical Literacy

Spanish

Ask someone how old
they are and respond.

Class novel

Ways to help out at home

Reading – Read at home as much as possible, with, and to, your child. For the greatest gains, your child needs to be reading at home EVERY DAY!

Take it in turns to read a section of a book if they find it tiring.

Read a book that is too hard for your child to read by themselves so they can hear what a good reader sounds like.

Writing – Ask your child to write some sentences about what they have learned in school today. Encourage them to **think** of the sentence first, then **say** it aloud, **write** it then **read** what they have actually written. Does it match? Check that ALL sentences are accurately punctuated and make sense.

Team time talk (Oracy) – What is the most amazing/surprising/unusual/silly thing that you have learned today?

Maths – The children need to keep practising the 2x, 5x, 10x then moving on to the 3x, 4x, 8x tables. Times table Rock Stars is a great way to get better!

Day	Weekly events
Monday	J1 and J2 PE Mr Watson's assembly
Tuesday	J1, J2 and J3 – PE J1` - Library
Wednesday	Singing assembly
Thursday	J2 Library J3 Library
Friday	Celebration assembly – bookmarks and achievements J3 PE
