11 September 2020

Dear Parents and Carers

As you know we have always said that we would continually review practices on site and make changes and amendments if we feel it is necessary.

We are sure you are all aware of the changes made by the Government on 9 September 2020 relating to the number of people who can meet together with effect from Monday, 14 September. In light of this change and an updated risk assessment from Sheffield City Council we feel that it is the right time for us to **strongly request that all adults wear a face covering when dropping off or picking up children from school.**

We are sure you will agree that in light of the increasing incidences of COVID-19 infections across the country that we should do everything we can to mitigate transmission.

We thank you, in advance, for your co-operation.

Yours sincerely

Catherine Carr

Head Teacher
Hunter's Bar Infant School

Michael Watson

Head Teacher
Hunter's Bar Junior School
