

Dear parent/carers

### SCHOOL CLOSURE

Hunter's Bar Junior School will only be open from next week for vulnerable learners and for children whose parents are Key Workers as defined by Gov.UK. For those parents who fall into the categories above, you will have received further information.

For everyone else, please don't send your child to school on Monday, we must follow government guidelines and would have no other option other than to ask you to come back to school to collect your child.

So, it is with a heavy heart that we have to say, 'So long for now'.

I want to publicly thank the staff at Hunter's Bar, who have been amazing at this difficult time. Their energy, enthusiasm and care have epitomised what it means to work with and care for children.

I also want to thank you for your support and patience. The many kind words and messages from parents have given much needed boosts of energy as we have gone through this week.

And finally, the children have been brilliant. Their optimism and energy are constant reminders that there is a future beyond this.

You can stay in contact with us via our website, email and various social media platforms. Please look after yourselves, friends and family. Try to see the positives that will come from this unique situation and know when this is all over, we will once again be proud to call ourselves your school.

Warmest regards

Michael Watson
