

11 May 2021

Dear Parent/Carer

Next week is National 'Walk to School' Week.

As such we will be encouraging children, where possible and within Covid guidelines, to actively travel some – or all – of the way to school. This would be an excellent time to refresh any new habits formed during our last Active Travel week from before Christmas. Children could walk, cycle, scoot or use 'park and stride'.

Hunter's Bar Junior School are working towards achieving Modeshift STARS Silver accreditation for excellence in promoting and encouraging active and sustainable travel to school. We hope this will help to make the school environment a safer and happier place for the whole school community.

In order to do so we would like to ask you a few questions about your child's journey to school. All of your answers will remain anonymous and will only be used to support and develop the school's Travel Plan. If we could have all responses back by 28 May 2021, that would be greatly appreciated.

Please use this link to access the survey:
