

## Write a Diary Entry in the Role of a Character from a Book

Choose one of the characters from a book you have recently read. Think about a key point in the plot – when something very important happened – and write a diary entry from the point of view of your chosen character at that key point.

Think carefully about other things that may have happened to influence how your character thinks, feels and behaves.

Try hard to step into their shoes and immerse yourself in the character, writing as you think they would!

You will need to write your diary entry in the first person and think carefully about the tenses you use!
