Do you want to work in an Outstanding (Ofsted October 2018) school that is forward thinking and invests in the professional development of all its staff? Would you like to join a team of professionals who believe passionately in making a difference to the lives of our children?

The Governing Body of Hunter's Bar Junior School are looking to appoint a part-time Learning Mentor (27.5 hours per week), Monday to Friday (8.30am-2.30pm), term time only. This will initially be a temporary contract from October/November 2019 until the end of the academic year. The successful candidate will be:

- Someone who has the ability to forge excellent relationships with colleagues, parents and most importantly, our children
- Promoting and safeguarding the welfare of children, staff and parents
- Addressing the needs of pupils who require support to overcome the barriers to learning they experience both inside and outside the school, so that they are able to achieve their full potential
- Offering support and advice to parents and have a knowledge and appreciation of the range of extended services that could be drawn upon to provide extra support
- Ensuring that the transition from one phase to another is smooth and that pupils receive continuity of support where appropriate
- Working closely with staff to improve attendance

We are a larger than average junior school based in the south west of Sheffield and are proud of our diverse student body who come from all over the city; making Hunter's Bar Junior School an exciting and unique place to work.

We offer:

- An inspiring and forward thinking leadership team
- A school recognised as an excellence hub for PE and sport and for CPD
- A friendly, energetic and collaborative team who work together and share ideas
- Specific and targeted research based continuous professional development delivered internally and externally
- The opportunity and freedom to develop and grow professionally within the school
- A school that shuts at 5.30pm because we believe our staff should also have a life

We welcome applications both from experienced Learning Mentors and from those with other relevant experience of working with children or young people with a good understanding of safeguarding. This is an exciting time for Hunter's Bar Junior School. If you think you have what we are looking for, then we'd love to hear from you.
