

Weekly Home Learning Plan

Year: 5

Week beginning: 13-07-2020

Please access as much of this learning as you feel is suitable for your child – we understand that families are in very different situations with access to different devices and varying amounts of time available to them. Above all, stay safe.

All links to the websites and work you need are in the learning plan below in Notes/resources.

Subject	Task / activity	Extension	Notes / resources
Maths 1 Daily practice of X tables	10 minutes a day Times Table Rockstars or carrying out non-laptop based times table practice – chanting, singing, writing, quizzing.	Challenge yourself by setting time or accuracy targets. How fast / more accurate can you get in one week? Why not try doing your 0.4 times table or your 40 times table?	www.ttrockstars.com You should have your own log in for this. If you cannot access this please email Y5@huntersbar-jun.sheffield.sch.uk and one of the Y5 team will support you with access to this.
Maths 2 Recap and new learning	30-60 minutes a day. Using White Rose Maths, each day watch the video and complete the attached learning. Daily lessons are as follows: Note – some lessons are revisits, in this case there is an alternative lesson provided – you can choose which one you do. Summer Term Week 10 Monday – measuring with a protractor Tuesday – drawing lines and angles accurately Wednesday – calculating angles on a straight line Thursday – calculating angles around a point Friday – Friday challenge	Use the Hunter's Bar Junior School website to access different challenges and some support materials as needed. Reading 1 Daily Reading	The expectation is that you read a book for at least 30 minutes a day. This can be done in chunks throughout the day. If possible, reading with an adult or older sibling would be fantastic.		

Reading 2 Weekly reading task	Your challenge is to embody a character from a book you have recently read and write a diary entry from that character's point of view during one of the key events in their story.	Can you push yourself to really write in the style you imagine that character would write in?	Go to page '13-07-2020 This Week's Home Learning' https://www.huntersbarjunior.co.uk/web/year_5/302772
Reading 3 First News reading comprehension	For this section, you need to complete the reading comprehension task based on the First News children's newspaper. The text and questions can all be found on the school website. There are three different levels of comprehension for you to choose from. Comprehension 1 being the most straightforward and comprehension 3 being the most challenging.	You can choose either FIRSTNEWS comprehension 1, 2 or 3. Comprehension 1 offers simpler questions and comprehension 3 offers more challenging questions. Writing 1 Relative clauses	Your task this week is to write a news report all about a space launch. We want you to use the links on the website to learn all about relative clauses (we have covered them before lockdown) and to try to include some accurate examples in your final piece of writing.	Newspaper writing is a great genre to test your tense work. Can you remember the previous week's learning and apply your tense expertise to ensure no mistakes to ensure you avoid making mistakes? Topic 1 Sun, Moon and Earth	We are looking at the Sun, Moon and Earth this week. Read the information provided and have a go at the questions.	Can you create your own fact sheet all about our solar system after doing your own research?	Go to page '13-07-2020 This Week's Home Learning' https://www.huntersbarjunior.co.uk/web/year_5/302772
Topic 2 David Bowie	You're going to create some song lyrics this week using a technique David Bowie used. Follow the instructions on the website and get creative. We'd love to see what you manage to create!		Go to page '13-07-2020 This Week's Home Learning' https://www.huntersbarjunior.co.uk/web/year_5/302772
Topic 3 (do topic 1 first) Retrieval Quiz	Your low-stakes retrieval quiz this week is a space quiz. So, do topic lesson one first and then try this quiz a day or so after and see what you can recall.	Can you make a retrieval quiz of your own on something we have learnt so far this year? Good quizzes will be uploaded to the website to test your friends. Many parents have asked for an extra layer of accountability to help keep their child on task. To this end, on Thursday lunchtime we will be asking you to send one piece of work, chosen by the year team leader at random and announced on the website. This work needs to be emailed in by the end of Friday.

Remember – Y5@huntersbar-jun.sheffield.sch.uk please only send one email of pupil work each week to your teacher and make sure that it comes from an adult's email address.

Please put your child's class into the subject line. If you are happy to have work / photos shared on the school website, please indicate this in the email.

We are estimating that the work should take no more than 3 hours to complete each day.

It might help to create a routine if you get your child to follow the suggested timetable below.
