## PERFORM YOUR POEM OR SONG LYRICS

Practice performing the poem or song lyrics you wrote using David Bowie's *cut-ups* technique.

Use expression in your voice to enhance the meaning, changing volume, speed and using body language .

Watch the BBC Teach: How to Perform Poetry link below to get more ideas on how to make the most of your performance.

**Extension:** Can you make an audio or video recording of your performance? Or if you have written song lyrics, can you compose and record a melody?
