

19.03.2020

Dear Parents & Carers,

We have been told that we are to close our school from the end of the day on Friday, for most pupils.

We have measures in place to ensure all pupils who qualify for free school meals will receive lunches. If you are a low income family we recommend you make an application for free school meals via Sheffield City Council's website.

<https://www.sheffield.gov.uk/home/schools-childcare/school-meals.html>

Next week, school have been told by the government to remain open for the children of key workers, such as NHS staff and the emergency services. We are awaiting further details on how we are to organise this and will update you, over the next two days, as this information is presented to us by the Department for Education. We will publish this on our website and send it out via email, as soon as we have know more.

For those children who are self-isolating or will not need to be in school next week due to the above information, home learning is being prepared. If you do not have a computer at home, your child will be given a learning pack or this will be sent home to you. For all other children, home learning will be available on the year group pages of our website.

<https://www.huntersbarjunior.co.uk/web/yeargroup>

Please check these, along with the update page regularly.

We recommend that you set up a Google web page alert for when these pages are updated.

The year group email addresses are there to assist you with any urgent queries about the home learning. Please understand that we have a skeleton number of staff within school and will not be able to respond immediately. We will however endeavour to respond ASAP.

Thank you once again for your ongoing support and understanding.

Kelly Hersey
Deputy Head teacher & Inclusion Manager
