

5th December 2019

Dear Parents & Carers,

We are writing to update you on the current situation regarding the introduction of wraparound care at Hunter's Bar Juniors.

As you may be aware, we have been looking into setting up a breakfast club to run from 8.00am until the start of the school day, and an after school club to run from the end of the school day until 5.45pm/6.00pm. We

The parental response has been encouraging and so we have begun the task of taking our plans to the next level. The most crucial aspect of these plans is the staffing of each of the clubs, as it is paramount that we have the right people for the jobs. Currently we are still looking to recruit staff for our after school club.

We are aware that parents are required to give between one month and one term's notice to any current providers and, as such, need to inform you that we will not be in a position to offer these services in Spring 1, immediately after the Christmas break. However, we are planning to begin offering a breakfast club in Spring 2, after the February half term. If recruitment is successful, we will also be beginning our after school club but this may have to remain on hold until after Easter.

We will be sending out further details about our breakfast club and how to sign up, before the end of term. In the meantime, if you have any questions, please do not hesitate to get in touch.

Best regards
