

16th September 2019

Dear Parents/carers,

Now that the dust is starting to settle, I would like to take this opportunity to introduce myself as the new PE Lead. As a new member of staff at Hunter's Bar Junior School, I am very excited to be given the opportunity to work within such a fantastic school and with amazing staff, about whom I have heard great things. I look forward to getting to know all your children over the coming weeks and helping your son or daughter to achieve greater things.

To give you some brief information about myself, I worked solely for Sheffield United until 2012 as a coach and scout (after gaining a degree in Sports and coaching Science). In 2012 I started to do my teacher training and qualified as a PE teacher at Westbourne School in 2015. As well as working in the PE department, I also gained experience in the classroom and in a SEN role. To develop my classroom pedagogy I took on a role at Nether Edge primary school as a Year 3 teacher in January 2018 before taking this position at Hunter's Bar Junior School this year.

My main aim is to push all pupils to think more. I state this categorically: Education is not just about remembering facts; it is about developing the ability to innovate, question, reason and apply. This is true of every subject and every field, and at Hunter's Bar Juniors all staff look to "ignite lifelong learning" along with the help of you their parents and carers.

If you would like to get to know more about the activities and ways you could volunteer your time to become more actively involved with the PE department, I would be delighted to invite you to meet with me on Friday 20th of September at 8:30am in the school hall. If you are unable to meet at this time please do not hesitate to contact me via the school office or have a chat on the school playground at the end of the school day.

Kind regards

Mr. Adebola
PE Lead
